

FISCAL NOTE

TO: Chief Clerk of the Senate
Chief Clerk of the House

FROM: James A. Davenport, Executive Director

DATE: February 12, 1996

SUBJECT: **SB 2592 - HB 2699**

This bill, if enacted, will allow dependent children in this state, under the age of 21, of Desert Shield/Storm or the Bosnian operation servicemen killed in action to be entitled to receive free tuition and fees at state university and colleges and the Tennessee Technology Centers.

The fiscal impact from enactment of this bill is estimated to be a increase in state expenditures to offset lost tuition revenues to the schools. The amount of such increase cannot be determined but is estimated to be not significant. This estimate is based on nine servicemen from Tennessee who were killed in the Desert Shield/Storm conflict and not all of these nine servicemen had children.

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.

James A. Davenport, Executive Director
